Our Mission: Fundraise for the Elderly

Our vision is to ensure a quality of life for the elderly now and to the end of life. Langley Care Foundation is a registered charity that raises funds to benefit the residents of Langley Lodge.

Funds raised by the Foundation have been used to purchase equipment for residential care, such as ceiling lifts, and to provide staff hours for delivering a range of therapeutic programs such as music therapy, horticulture and pastoral care.

PASTORAL CARE AT LANGLEY LODGE

Chaplain, Tony Tremblett

We are privileged to have Chaplain Tony providing spiritual care for the residents of Langley Lodge. His approach is non-denominational and his Monday morning devotional is one of the best attended programs in the Lodge.

Tony provides one on one visits with residents when requested, and is always available to provide spiritual Palliative Care support for families and residents as needed. He also conducts and invites families to bi-monthly Celebration of Life Services at the Lodge for those residents who have passed away.

Tony is well-loved and appreciated by the residents of the Lodge.

Financial support for the Pastoral Care program is provided through the fundraising efforts of the Langley Care Foundation.

Phyllis is a welcoming and endearing 91 year old woman. She is always a pleasure to talk to and has a great personality. Phyllis was born in Port Coquitlam and moved to Langley after getting married. She is one of 3 children, she has one brother and one sister. Her family is continually growing, with 4 children, 2 boys and 2 girls, and many grandchildren and great-grandchildren, whom she speaks of fondly. Throughout her life, Phyllis has maintained a very busy lifestyle raising children, travelling, working and volunteering.

Before having children, Phyllis worked in a flower shop for, as she said, “years and years”. She then became a housewife, cooking meals, cleaning house, and raising her children. In her spare time she enjoyed shopping and ballroom dancing, saying she never took any lessons, but liked doing it for fun. Later in life, after her children were grown, she volunteered as a receptionist at the Langley Senior’s Centre and at the library at her church.

Phyllis liked to travel. She has been all over the world, visiting many diverse and unique places, noting England and the Philippines, in particular. She often traveled with her husband and said they would frequently travel in small groups. She loves music, and likes to attend events at Langley Lodge in which musicians will be performing. She also loves flowers and gardening, and occasionally attends gardening groups with the horticultural therapist. She has strong spiritual connections and appreciates the church services on Sundays and pastoral visits during the week.

When asked about her advice for living a happy life Phyllis responded: **“It’s all in how you present yourself. Be honest and truthful; happy and smiling.”**
