On Thursday, May 26, the annual EARS 50+ Tradeshow happened at its new location, the Timm’s Community Centre. With speakers such as Dr. Art Hister and the brilliant Jim McGregor as Emcee, this event managed to bring in ~250 local residents and nearly sixty exhibitors. The Langley Care Foundation table was the first booth seen and generated lots of excitement for the upcoming Butterfly Release and Caring Hearts Gala. It was an excellent opportunity to engage with locals and we were able to explain how fundraising allows us to provide such incredible therapy programs at the Lodge.

Our vision is to ensure a quality of life for the elderly now and to the end of life. Langley Care Foundation is a registered charity that raises funds to benefit the residents of Langley Lodge.

Funds raised by the Foundation have been used to purchase equipment for residential care, such as ceiling lifts, and to provide staff hours for delivering a range of therapeutic programs such as music therapy, horticulture and pastoral care.
