Our Mission: Fundraise for the Elderly

Our vision is to ensure a quality of life for the elderly now and to the end of life. Langley Care Foundation is a registered charity that raises funds to benefit the residents of Langley Lodge.

Funds raised by the Foundation have been used to purchase equipment for residential care, such as ceiling lifts, and to provide staff hours for delivering a range of therapeutic programs such as music therapy, horticulture and pastoral care.

Night at the Races

We extend a sincere thank you to all of our guests who came out to support our ***Night at the Races*** at Fraser Downs. Over 65 people attended, and net proceeds of over \$1,400 will be contributed directly to Quality of Life programs for residents of Langley Lodge. This function, similar to other events hosted throughout the year, will provide programs that are not part of healthcare services, such as Music Therapy, Horticulture, Art Therapy and Spiritual Care. Without your generous support, these programs will not continue.

On behalf of our Residents, thank you for your support!

Meet Our Langley Lodge Family

Robert "Scotty" Milne

Scotty is a fun-loving and charming 81 year old man who can usually be found making jokes, laughing or singing in the hallway with a group of ladies on his floor. He is very friendly, often saying hello to anyone who passes him in the hallway.

The last of 4 boys, Scotty was born in Scotland and moved with his family to Oliver, BC when he was 12 years old. Hailing from Scotland is what gave him the nickname "Scotty". As a young man, Scotty worked a very physical job in construction. He says that he worked for "as long as [his] body lasted" before retiring. After retirement, Scotty spent his time collecting and reselling items at swap meets. Scotty also liked to go fishing, but he said the big ones always seemed to get away!

Scotty has always had a passion for music, though he said he was never very good with any instruments. He likes to come to many of the various music programs and to sing with the music therapist here at Langley Lodge. While Scotty's opinion of his own singing isn't as positive as other's opinions (of his voice) he attends the singing sessions because he simply like to sing.

Scotty's positive attitude and laugh can be infectious and his smile can brighten anyone's day, it's always a pleasure to chat with him. His most encouraging advice is to live
"as happy as you can live".
