On Friday October 5<sup>th</sup>, 2017 we were honoured to receive a cheque for \$5,000 from Soroptimist International of the Langley's (SI) to purchase a Mobile Patient Lift. Proceeds from their Canada 150 celebration have helped increase dignity and safety in elder care through the purchase of this much needed item from our capital wish list.

We thank the dedicated team from Soroptimist International for their generous donation and all of their hard work to bring this valuable donation to our facility.
