October 2017 News

*Our Mission: Fundraising for the Elderly*

Our vision is to ensure a quality of life for the elderly now and to the end of life. Langley Care Foundation is a registered charity that raises funds to benefit the residents of Langley Lodge.

Funds raised by the Foundation have been used to purchase equipment for residential care, such as ceiling lifts, and, to provide staff hours for delivering a range of therapeutic programs such as music therapy, horticulture and pastoral care.

## *Caring Hearts Donor Appreciation Evening*

On September 16<sup>th</sup>, the foundation board invited caring individuals and organizations to a donor appreciation evening. The event was hosted by foundation board members and financially supported by several long time event sponsors.

Rotarians representing all of Langley's rotary clubs, Langley and Aldergrove Legions, Soroptimist's International of the Langley's, Langley United Church Women, municipal leaders and many individual donors heard personal, heart warming stories about the positive impact that donations have on our elderly residents. Board Chair, Mike Brown spoke of his wife's needs as she struggled with dementia. Chief Executive Officer Debra Hauptman told of her mother-in-law's long and active life in the community, her mother-in-law's indomitable spirit and her first "selfie". After spending three years at Langley Lodge in private care, she was required to move to a different facility where there is no therapy programming for elders.

We are proud of our ability to provide weekly **donor funded** programming supporting a quality of life not typically found elsewhere.
