SHERRY TINGLEY AND DAD
Resident, Tom Brown

As the daughter of a Langley Lodge resident, I am so appreciative of these programs offered to my father. My dad starts his day planning what activities are on the schedule...he insists the family should check our Lodge Calendars before planning outings and visits! That makes us so very happy. What a gift the Langley Lodge Programs give us. With relief from obligation, we visit and listen to what HE has been doing and is planning on doing instead of filling the time with our activities that he is now not a part of. WE LOVE IT!

*All of this is made possible by the fundraising events such as the **Caring Hearts Gala** and the smaller raffles and sales, each alone so very important. I love them all.*

Who doesn't love a fancy ball where you can dress up, have an elegant meal and an evening of entertainment with fun auctions? Who can resist the "Ahhhh..." of the Butterfly Release (all ages)? Who isn't always looking for good books to read? Who doesn't like to shop for beautiful, unique jewelry or browse through "New-2-U" apparel and household stuff? Raffles are easy, dinners and outings are fun.

The Lodge fundraising calendar is an all-encompassing commodity for me and the family. Something always appeals to one or more of us. Opportunities for all ages to enjoy and at the same time provide the benefits needed for the programs.

Our family represents four generations of the Langley Community (where my dad was born), living, working and playing here with the goal of optimum lifestyle for the youngest to the oldest. We know, through supporting the fundraising events from Butterflies to Books, the Langley Care Foundation is then able to support recreational programs for the Langley Lodge...and we feel fulfilled. We get to help our Dad / Grandpa, who then can keep his dignity, independence and has opportunities to live a full, active life in his nineties... all the while in a Care Facility!

We are all winners.

Check out the website www.langleylodge.org – see the list of events for the year, pick the ones that appeal to you and.... See your there!!!
