## Happy Father's Day - June 19th

A Dad is a person who is loving and kind,  
And often he knows what you have on  
your mind.

He's someone who listens, suggests, and  
defends.

A dad can be one of your very best friends!

He's proud of your triumphs, but when things  
go wrong,

A dad can be patient and helpful and strong.  
In all that you do, a dad's love plays a part,  
There's always a place for him deep in your  
heart.

And each year that passes, you're even  
more glad,  
More grateful and proud just to call him your  
dad!

Thank you, Dad...  
for listening and caring,  
for giving and sharing,  
but, especially, for just being you!

Five Canadian flags are displayed in a row, each on a small white pole.

### GOODBYES ARE NEVER EASY

On June 24<sup>th</sup> we will say goodbye to Naomi Ohlsson, our Director of Care for the past 9 plus years. Naomi's bubbly personality and sense of

humour has been a bright spot around Langley Lodge and we will certainly miss her.

Regina Naing joined our Langley Lodge family in 2002 as an RN, and moved into the Assistant Director of Care position

in 2006. Her last day of work is May 31<sup>st</sup>. She has been Naomi's "right hand woman" for the past 9 years and together they have made an amazing team, working together to ensure an exemplary quality of care is provided to our residents.

They both leave big shoes to fill and we will all miss them, but know they are going to enjoy their new "jobs" –

## ACCREDITATION SURVEY

We have recently completed an on-site survey with Accreditation Canada to receive accreditation for a further 4 years. It is a rigorous, 3-day evaluation process of our quality improvement in the areas of governance, leadership, clinical services, resident safety, worklife programs and client experience.

I have been notified by letter this morning that we have been awarded **“Accreditation with Exemplary Standing”** by Accreditation Canada, along with the following statement:

*"The organization has attained the highest level of performance, achieving excellence in meeting the requirements of the accreditation program. The organization is commended on its commitment to using accreditation to improve the quality and safety of the services it offers to its clients and its community."*

This is a tremendous achievement for Langley Lodge, and underscores our success in meeting our organization's mission **to provide exemplary care for the aging population in our community.**

Please congratulate our staff and volunteers on your next visit. This is a remarkable accomplishment and everyone worked very hard to achieve it. Langley Lodge has a great reputation for our attention to every detail, caring staff, quality of care, with a common purpose of providing a meaningful life for the residents, enriched with family and friends, in a safe, modern and comfortable environment.

We'd like to thank the residents and families who participated in the on-site survey, for their rave reviews and genuine feedback. Thank you for your support!

## AND SOME COUNTRY WISDOM.....

♦ Country fences need to be horse high, pig tight and bull strong.

♦ A bumble bee is faster than a John Deere tractor.

♦ Don't skinny dip with snapping turtles.

♦ Words that soak into your ears are whispered, not yelled.

♦ To know how country folks are doing, look at their barns, not their houses.

♦ Forgive your enemies. It messes with their heads.
